

Clinton Community Educational Foundation

WHO WE ARE

We are friends and neighbors, parents and teachers, community and business leaders who, together, make a difference in our schools. Our volunteer Board, committees and school liaisons raise private funds to support the schools of Community Unit School District 15. Founded in 2007, our vision is to do more for our kids and community by providing resources that create opportunities for valuable student and teacher experiences.

IT IS NOT THE SAME OLD
CLASSROOM ANYMORE...

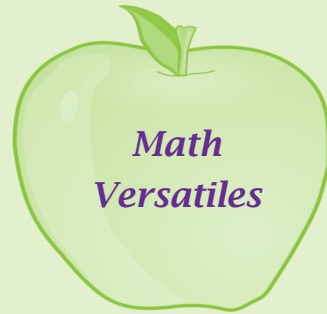

You are needed
To help make a
difference!

The Clinton Community Educational Foundation's mission is to acquire and distribute resources to Clinton Community Unit School District #15 to enhance, enrich, or supplement learning opportunities for its students, staff, and community.

We are a registered 501(c)(3) nonprofit organization. We **do not receive any financial support** other than by donations. We are able to help the students of Clinton, IL, through the generosity of individuals and businesses in our community. We **thank you!**

www.clintonedfoundation.org

The many projects funded by the Clinton Community Educational Foundation (CCEF) have expanded the horizons of our students through new opportunities in the arts, science and technology, and academic enrichment.

Last year's Classroom Grants included:

Math Versatiles, a tool for enhancing the understanding of math concepts, was awarded to CES

Virtual Reality Field Trips allow students at CES to travel the world without leaving the classroom

Studio Lighting for Photo Classes will allow CHS students to learn professional lighting techniques

The Chicken Egg Incubator was a big hit at Lincoln School, where students observed and recorded the hatching process

As 2017 comes to a close, please consider making a tax-deductible donation to the CCEF so that we can continue supporting these inventive, diverse projects that enhance learning for our children.

**Wishing you a safe and happy holiday season!
